2) Purchasing and Licensing Vehicles, Aircraft, Boats and other Devices.

Montana Corporate cannot judge the suitability of any vehicle, aircraft, boat or other device you may want to purchase and/or license through your company.

We may require additional documents to complete licensing and, rarely, the vehicle may not be able to be licensed at all. While we will try every avenue to complete the licensing process, we cannot guarantee it will be successful. There will be no refunds for incomplete or failed licensing attempts.

If we are in possession of your vehicle title and have completed any title work on your behalf, you agree to pay a minimum fee of \$150 even if the licensing fails and we have to return the title to you.

There may be additional fees if we have to obtain special permits, file additional documents or perform extraordinary work in the licensing and/or titling process. We pay licensing fees to the State of Montana upfront, on your behalf. You agree to pay for any agreed-upon extra work and reimburse Montana Corporate for any funds paid to any State, Federal or other agency by Montana Corporate on behalf of your company or any of its members.

If you sign up for Vehicle, Aircraft, Boat or other device AutoPay, you agree to allow Montana Corporate to charge your credit card for agreed-upon renewals of Montana State or Federal licenses and permits.
